- Conference materials
- Coffee breaks, lunches
- Welcome party
- Guided tour with dinner

The Summer School is intended mainly for PhD students and postdocs. Expert speakers from major international pharma and biotech companies and academia will cover these broad areas:

- Target discovery
- General chemical approaches – medicinal chemistry
- Structure and in silico based drug design
- Lead structure characterization
- Preclinical and clinical development
- Principles and examples of commercial drug development cycle

SCHOLARSHIP

Organizers decided to grant a scholarship to a total of 15 participants in the form of a FREE REGISTRATION. Please send your application incl. CV and a short explanation on the reasons of your request to the e-mail: peckova@cbttravel.cz before June 1, 2019. The selection will be made by the Scientific Committee and the participants will be informed by 30. 6. 2019 at the latest.

BEST POSTER AWARD

We would like to encourage participants to present their research in the form of poster presentation. The scientific committee will evaluate all contributions and award THE BEST POSTER.

You are very welcome to register on line at http://www.praguesummerschool.cz/registration-online.php
